### Specifications

#### TX Transmitter

Wireless Transmission	Digital 2.4GHz
RF Frequency Band	2400-2483.5MHz
Frequency Response	20Hz-20KHz
Working Distance	492ft/150m(LOS area); 164ft/50m(NLOS area)
Sampling Rate	48KHz
Bit Depth	16Bit
Sensitivity	-36dB
SNR	> 75dB
Battery Type	Built-in Lithium Battery, 120mAh
Battery Charging Time	1.5H
Battery Life	5H
Dimensions	49x19x19 (mm)
Material	ABS
Weight	10g

#### RX Receiver

Wireless Transmission	Digital 2.4GHz
RF Frequency Band	2400-2483.5MHz
Working Distance	492ft/150m(LOS area); 164ft/50m(NLOS area)
Sampling Rate	48KHz
Bit Depth	16Bit
Connector	Type-C or Lightning Output
Power Input	Type-C
Dimensions	49x30x9 (mm)
Material	ABS
Weight	5g

#### Wireless Charging Case

Battery Type	Built-in Lithium Battery, 300mAh
Battery Charging Time	1.5H
Charging Port	Type-C Port
Power Requirements	5V 2A
Dimensions	70x43x37 (mm)
Weight	58g

### Warranty

#### Warranty Period

Thank you for purchasing SYNCO products.

1. Customers are entitled to free replacement or repair service in case of quality defect(s) found in the product under normal use within 30 days upon receipt of the product.

2. Original SYNCO products are entitled to 12-month limited warranty service. The warranty period begins on the date of purchase of brand new, unused products by the first end-user.

Within the warranty period, if product defect or failure is attributable to material deflection or technological problem, the defective product or defective part will be repaired or replaced without charge (service and materials fee).

#### Warranty Exclusions and Limitations

Faults resulted from inappropriate use of a product without following its operation specification

1. Artificial damage, e.g. crash, squeeze, scratch, or soaking
2. Modifications to a product by its user or a third party without prior written consent of SYNCO, e.g. replacement of element or circuit, label alteration
3. The code on product is inconsistent with that of warranty certificate, or the code on the product or warranty certificate is altered or torn off
4. All consumable accessory attached to a product, like cable, wind muff, battery
5. Faults as a result of force majeure, such as fire, flood, lightning, etc.

#### Warranty Claim Procedure

1. If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact SYNCO's customer service through email at support@syncoaudio.com.
2. Please retain your sales receipt and warranty certificate as proof of purchase. If any of these documents is missing, only sales return or chargeable service will be provided.
3. If the SYNCO product is out of the warranty coverage, the service and the parts cost will be charged.
